The student is eligible to request an official transcript under the following conditions:

- The school will provide an official transcript for payment periods in which the student received Title IV federal student aid, provided that all institutional charges for those specific periods are paid in full or are covered under a current, compliant payment agreement.
- The school will issue the qualifying portions of the transcript covering Title IV-funded periods even if the student has an outstanding balance from other periods or is no longer enrolled.
- The school **may** withhold clock hours or grades associated with payment periods that did not receive Title IV aid and for which institutional charges remain unpaid with no active payment agreement.
- Transcripts will not be withheld due to balances resulting from institutional error or misconduct.
